

SHERMAN WELLS CORPORATE/M&A PRACTICE GROUP IN ELITE COMPANY AMONG NEW JERSEY LAW FIRMS

In its 2015 guide to the leading legal practices in the United States, *Chambers USA* has counted Sherman Wells Sylvester & Stamelman LLP, in its very first year of existence, among the top handful of Corporate/M&A practices in New Jersey. In addition, three of the firm's attorneys, [Andrew Stamelman](#), [Charles Detrizio](#) and [William Connolly](#), earned individual recognition as leading practitioners in the Corporate/M&A field in New Jersey. This is the 12th consecutive year of such recognition for Mr. Stamelman by *Chambers USA*, and the fifth for each of Mr. Connolly and Mr. Detrizio.

Chambers has been researching the U.S. legal profession since 1999. Its researchers speak to a vast range of lawyers and their clients to understand and accurately depict each legal practice and the leading players within it. Inclusion in the guide is determined solely by reputation in the market and knowledge of the profession as gathered by Chambers editorial staff.

About Sherman Wells

Sherman Wells is a full-service law firm with 32 experienced attorneys, fiduciary accountants and paralegals practicing in disciplines including Banking and Financial Services Law, Broker-Dealer Litigation and Arbitration, Commercial and Business Litigation, Corporate Law, Energy, Estate Planning and Estate Administration, Estate and Fiduciary Litigation, Executive Compensation, Healthcare, Intellectual Property and Technology, Media and Entertainment, Mergers and Acquisitions, Professional Liability Claims and Taxation. Although we are a new law firm, we have practiced together for years. We bring with us the talent and experience we've gained working with large, prominent law firms, but with the efficiency of a smaller firm. Our senior attorneys are some of the most highly respected in their disciplines in the New Jersey/New York area, and we have hand-picked talented younger attorneys and paraprofessionals to build our firm. We handle the legal and business needs of a broad range of clients, from Fortune 100 corporations to closely-held businesses to individuals and families.
